## Work Experience

### **FOREIGN SERVICE OFFICER, CLASS IV — September 2019 to present**

#### Office of the Undersecretary for Migrant Workers Affairs, Department of Foreign Affairs

- Supervises a team of 9 case officers for the assistance-to-nationals operations in the Asia-Pacific desk
- Appraises fund requests from 30 Philippine embassies and consulates general in the assigned geographic region for endorsement to the Secretary of Foreign Affairs
- Reviews migration policies and recommends measures to the Undersecretary
- Serves as the workplace health coordinator and recommends policies that promote the well-being of employees
- Facilitates the repatriation of distressed overseas Filipinos and human remains
- Consolidates the concerns of migrants and next-of-kin for prompt referral to the appropriate authorities
- Represents the department on inter-agency meetings and coordinates with other national agencies on the protection of the rights of migrants
- Represents the office on international negotiations such as the Colombo Process and the ASEAN Committee on the Implementation of the ASEAN Declaration on the Protection and Promotion of the Rights of Migrant Workers (ACMW)
- Underwent an intensive six-month cadetship program to develop capabilities in promoting foreign policy goals and in advancing economic and security interests
- Developed a policy paper entitled "Migration health: Philippine edge in global health diplomacy"

### **RESEARCH FELLOW III — July 2017 to June 2019**

#### Philippine Council for Health Research and Development, Department of Science and Technology

- Provided technical assistance to the Health Policy Development and Planning Bureau and the Bureau of International Health Cooperation of the Department of Health
- Conducted a scoping review on the health modalities for external assistance
- Consolidated the ASEAN framework on health coverage for migrants
- Served as research coordinator of the Health in All Policies Study Group
- Conceptualized, planned, and implemented Health Policy and Systems Research (HPSR) and Health Impact Assessment (HIA) projects
- Prepared technical documents such as position papers, policy notes, policy briefs, technical presentations, aide-memoirs, and terms of reference
- Developed assessment tool for Activity 6 of ASEAN Health Cluster 3 on strengthening the health system and access to care
- Participated in the development of the Philippine Migrant Health Research Agenda
- Assisted in drafting executive order on the deployment of health attachés in select Foreign Service Posts
- Published feasibility report on establishing a foreign-based hospital for overseas Filipino workers

### **RESEARCH ASSISTANT — September 2013 to November 2013**

#### Philippine National AIDS Council Secretariat, Department of Health

- Served as a member of the 5<sup>th</sup> AIDS Mid-Term Plan Evaluation Team
- Developed an online survey questionnaire for stakeholders
- Processed survey data and updated the digital repository
- Managed the logistics of the interview with key informants
- Assisted principal investigators in the data collection
- Documented consultative workshops on the amendment of the HIV/AIDS law

### **NEUROSCIENCE STAFF NURSE — April 2012 to April 2013**

#### Division of Nursing, St. Luke's Medical Center – Global City

- Provided comprehensive nursing care of patients, especially those diagnosed with stroke and neurological disorders, from admission to discharge
- Coordinated treatment with other health care providers
- Supervised nursing assistants, ward clerks, and hospital porters
- Documented nursing care per the hospital protocol
- Audited the integrity of the unit's equipment and ensured the adequacy of medical supplies

- Served as a preceptor to nurse trainees
- Participated in the quality improvement projects and preparation for the initial Joint Commission International Accreditation
