To all IAPSS members,

My name is Giulia Zampedri and I would like to express my interest in running again for a position in the IAPSS Advisory Board. I am already a member of the Advisory Board (mandate 2020/21) and I would love the opportunity of being a member also in the upcoming mandate.

I joined IAPSS back in 2018 as a student ambassador. I followed from the very beginning the regionalisation project as regional chair for Europe and from 2020 I have been a member of the Advisory Board.

During these years, I really enjoyed volunteering at IAPSS and always being in touch with so inspiring young people. However, as with every organization, I believe IAPSS needs to improve certain aspects. That is why I would like to be again a member of the Advisory Board. I would love to support again the ExCom in making this association a great place for young and talented students. In particular, I am excited to assist during the relocation of IAPSS to Canada. I am also looking forward to supporting IAPSS in recovering from the pandemic, helping in the re-establishment of physical events.

I believe that my experiences within the association combined with my strong work ethic make me an ideal candidate for a spot in the Advisory Board.

**Kind regards,
Giulia Zampedri**
